

Just How is Heather Wilson Electable?

The Democratic Machine will Destroy Heather's Horrible Record!

With Establishment backing, **she LOST** the Republican primary in 2008 and would clearly have also lost in November. Now that the Obama "Hope & Change" honeymoon is over, with Gov. Martinez, Lt. Gov. Sanchez & Rep. Pearce leading the NM GOP, and polls showing Rep. Heinrich's rubberstamp of the liberal Obama agenda of spending/Obamacare being extremely unfavorable (*USA Today*, 2-23-12), New Mexico Republican chances are great with the right candidate.

Wilson Sways to the Interests of Wall Street in TARP Bailout

H.R. 1424--Emergency Economic Stabilization Act of 2008 or "TARP" <http://clerk.house.gov/evs/2008/roll681.xml> - *This bill allows the government to use up to \$700 Billion in taxpayer money - \$350 Billion initially, and the rest with Congress's approval - to buy troubled assets from struggling financial institutions.*

- Wilson voted FOR the **\$700 Billion bank bailout**, which mainly rescued large Wall Street financial firms that had lavishly financed the Obama-Biden campaign, with creditors including China, Russia, Saudi Arabia, Iran, etc.

WILSON VOTED SEVERAL TIMES TO INCREASE THE DEBT CEILING, CRIPPLING AMERICA'S FUTURE GENERATIONS

Wilson also voted YES to pay raises for herself numerous times in her career in Congress but voted against bonuses for troops in Iraq. (H.R. 3289, Vote# 554, 10-17-03)

WILSON FAILED TO STAND UP TO OUT OF CONTROL DC SPENDING **Voted FOR the \$168 Billion Stimulus Package**

H.R. 5140 - Economic Stimulus Bill of 2008 - Provides economic stimulus through recovery rebates to individuals, incentives for business investment, and an increase in conforming and FHA loan limits. This included tax rebate checks for individuals making less than \$75,000, and married couples making less than \$150,000.

- **Spending is not Stimulus!** "Any money that the government puts in the economy's *right pocket* is money that is first removed from the economy's *left pocket*". - Cato Institute
- **Reducing the size and scope of government = best way to improve economic performance.**
- **Case Study:** Japan, throughout the 1990s tried to use so-called stimulus packages in an effort to jump-start a stagnant economy. But the only thing that went up was Japan's national debt (**now approaching an astonishing 240% GDP at ~\$14 Trillion**), which more than doubled during the decade, The Japanese economy never recovered, and the 1990s are now known as the "**lost decade**" in Japan.

(Sen. Jim DeMint voted against this bill. - <http://www.csmonitor.com/Commentary/Opinion/2008/0124/p09s02-coop.html>)

WILSON VOTED TO START IMPLEMENTATION OF KYOTO PROTOCOL

H.R. 4690, Vote# 2000-323, 6-26-00 - http://www.ontheissues.org/HouseVote/Party_2000-323.htm - **coupled with the resulting Cap and Trade regressive taxes.**

<http://www.heritage.org/research/reports/2007/12/beware-of-cap-and-trade-climate-bills>

"But the world has already witnessed many unpleasant surprises with Europe's ongoing efforts to impose a **cap and trade program under the Kyoto** Protocol, the international climate treaty to reduce greenhouse gas emissions."

WILSON JOINS DEMOCRATS WITH FIRST ATTEMPT AT FEDERALLY MANDATED HEALTH CARE

1. **Wilson backed** one of the largest tax hikes, welfare expansions and government-run health care plans in history, **the precursor to the federally mandated health care we now have with Obamacare!** (S-CHIP Bill, H.R. 3963, Vote# 1009, 10-25-07) - <http://www.govtrack.us/congress/vote.xpd?vote=h2007-1009>

2. **Wilson voted for Medicare Part D**, wreaking havoc on both the nation's budget and its participants - <http://www.govtrack.us/congress/vote.xpd?vote=h2003-332>
<http://www.cagw.org/newsroom/waste-watcher/2006/january/medicare-part-d-stands-for.html> - Medicare Part D went into effect January 1, 2006, wreaking havoc on both the nation's budget and its participants. The program is a prescription drug benefit available to Medicare beneficiaries regardless of income or current health coverage. Medicare's long-term diagnosis was nearly terminal even before Part D went into effect. The program faces an expected **shortfall of nearly \$30 Trillion over the next 75 years**. The new drug benefit will account for almost 30 percent of this **unfunded liability**. As a result of the growth of entitlement programs and the aging of the population, the Government Accountability Office estimates that to balance the budget in 2040, the government would have to slash total spending by about 60 percent or **raise taxes to 2.5 times today's level**.

WILSON BACKS LIBERALS IN MAKING EPA INTO A CABINET DEPT.

WILSON DEFIES AMERICAN VALUES

Voted NO to Permitting Public Displays of the Ten Commandments!

H.Amdt. 200 to H.R. 1501 The Ten Commandments Defense Act, 1999 <http://clerk.house.gov/evs/1999/roll221.xml>
Amendment allows States to decide whether or not to display the Ten Commandments on or within publicly owned property. This clearly illustrates the ultra-liberal values of Wilson, as she was one of the scarce Republicans to do so.

Wilson Voted AGAINST Life & Family Issues

1. **Wilson voted with ultra-liberals to fund Planned Parenthood with taxpayer dollars.** (H.R.3043, Vote# 684, 7-19-07) <http://www.govtrack.us/congress/vote.xpd?vote=h2007-684>
2. **Wilson voted twice** to allow FDA testing and approval of the dangerous **RU-486** abortion pill. (Vote# 173, 6-8-99 & Vote# 373, 7-10-00) <http://www.lifenews.com/2008/05/19/state-3240/>
3. **Wilson chose NOT to vote on restricting interstate transport of minors to get abortions**, after voting on Motions/Amendments minutes prior to the "Passage" vote at 7:03pm, **she was AWOL on this critical stand for the Sanctity of Life.**

H.R. 748 - Child Interstate Abortion Notification Act; (2005) - To prevent the transportation of minors in circumvention of certain laws relating to abortion, and for other purposes.
