Re: Governor's letter dated June 18, 2012

Dear Governor Martinez,

I am the Republican Candidate for State Senate District 39, and I am in receipt of your letter dated June 18<sup>th</sup>, 2012, in which you request a contribution to your Susana PAC for Republican Candidates. Your letter is disingenuous at best, after your PAC, Reform New Mexico Now, funded by Big Oil out of Artesia, placed positive ads for my democrat opponent Phil Griego.

-A democrat who while in the legislature accumulated two DWIs and was arrested but not convicted for a third, who was funded by big out of state corporations and is being investigated by the Secretary of State for misuse of campaign funds.

-A democrat who voted for the law giving Drivers Licenses to Illegal immigrants and who fully supports Obama Care and the individual mandate.

-A democrat who claims to be a rancher and pays property taxes on two cows and two bulls and forgot to claim his horse.

It appears that the Governor's office and her Big Oil Friends are more concerned about the open pit rules and helping a "pay to play" Senator who chairs the Senate Conservation Committee. This contrary to your campaign promise that you care about the Citizens of New Mexico.

I would therefore request that mine and my wife Robin's contributions to your 2010 campaign be refunded.

Respectfully,
