No problem – just checking – as long as I can get out of here by 6:30 I'll be okay.

What time is the Aggie Game? If you have to run home, I could meet you there ASAP (Mayor is now trying to end the meeting by 5:30 pm). Sooooo sorry!

Terrence,

It doesn't look like the meeting is going to end by 5 p.m. There is an Aggie game tonight. Do you want me to take the boys? I'm not sure how much the tickets are though.
