

November 28, 2010

To the Members of the NM GOP State Central Committee:

We would like to express our deepest gratitude to you for your service and leadership in the Republican Party of New Mexico. On Saturday, we will gather to elect new state party leaders, and they will be charged with building upon our historic victories over the past two years to put our state on firm Republican ground in 2012.

**We are excited to ask for your support for Monty Newman for chairman of the state Republican Party.** Our next chairman must organize and finance a statewide grassroots effort to counter the millions of dollars that will be spent by Barack Obama and far-left special interests in the 2012 election. Raising the resources for this task is more important than ever, given the new fundraising limits that are now in effect, which limit the size of contributions our party may accept. Our chairman must also support our elected officials as we seek to deliver on the commitments we have made to the people of New Mexico, as well as recruit winning candidates for the U.S. Senate, U.S. House, State Legislature, and other offices.

With redistricting forthcoming and a presidential election around the corner, we believe Monty Newman has what it takes to be an effective servant and leader in our party. Monty shares our conservative values, he has been a successful leader in large organizations, and he is a proven fundraiser who will ensure that we have the resources to stand toe-to-toe with the Democrat Party machine in 2012.

Thank you for the work you do on behalf of New Mexico's Republicans and for the betterment of the state and nation we love. We look forward to seeing you on Saturday.

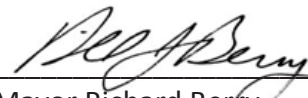

Sincerley,

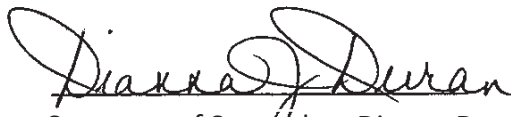

Governor-elect Susana Martinez

Congressman Steve Pearce

Mayor Richard Berry

Secretary of State-elect Dianna Duran

House Republican Leader Tom Taylor

Senate Republican Leader Stuart Ingle
