

# JACK SULLIVAN PREACHES ETHICS But Created A Government Job For His Wife

Jack Sullivan likes to talk about integrity and openness on his campaign website, but he should be judged on what he does, not what he says.

## **CREATED GOVERNMENT JOB FOR HIS WIFE**

As a Santa Fe County Commissioner, Jack Sullivan used his government slush fund to create a job. And that job was given to Jack Sullivan's wife, and she didn't even have to interview for the position.

In fact, the County Commission didn't interview a single person for the new job. They just hired a well-connected family member of Commissioner Jack Sullivan.

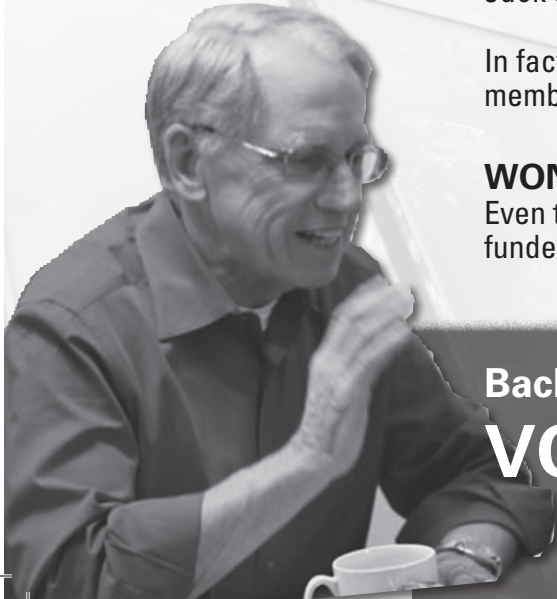

## **WON'T DISCLOSE DETAILS**

Even though Jack Sullivan preaches openness on his website, he is silent when it comes to talking about this wife's taxpayer funded job. Sullivan won't disclose conversations with other government officials about hiring his wife.
