Re: Monica Gomez vs. Mark D'Antonio

Dear Ms. Bailey,

I have attached additional evidence against the campaign to elect Mark D'Antonio in regards to the flyer circulated at a Democratic Party of Dona Ana County event. Attached is a screen shot of the same flyer posted on Mr. D'Antonio's sisters Facebook page. The post has since been deleted but it was the first instance of the picture being posted to Facebook as far as my research has concluded. Several other individuals seem to have posted the picture after Lisa D'Antonio posted the flyer picture. Ms. D'Antonio seems to be heavily involved in her brother's campaign and posted the exact picture that was then distributed several days later at the Democratic Party event. Also, if I am not mistaken the pictures could be from an internal server left by Amy Orlando or Susana Martinez when either was the 3rd Judicial District Attorney. If the pictures are from the server, I would ask how there were made available for this flyer without Mr. D'Antonio's knowledge. I would ask that the Secretary of State further investigate this flyer and its dissemination. If Mr. D'Antonio was not involved in its distribution I would like to know who was due to the illegal printing and distribution of the flyer without political disclosure statements.

Sincerely,

A handwritten signature in cursive script that reads "Monica Gomez". The signature is written in dark ink and is positioned above the printed name.

Monica Gomez

James Dickens is running as a Democrat for DA. This is a tactic used by the Governor to get control back in Dona Ana County. Please support **Mark D'Antonio** so he can continue to fight corruption and crime in our county. Thanks you.....please share!!!!!!

Loyal Republican

James Dickens pictured with former Republican DA Amy Orlando. Mr. Dickens was Ms. Orlando's Deputy at the DA's office for many years and a very close personal friend. She often left him in charge of the office when she was unavailable.

James Dickens pictured with Gov. Martinez. The Gov. hired Mr. Dickens as a faithful Republican when she was the DA and they have been close friends ever since. He is a loyal confident of the Gov. and still follows her directions. The Gov. had promised to support Mr. Dickens in he Democratic bid for DA.
